

### INTERVIEW SUMMARY

The Restriction Requirement contains a typographical error in the listing of claims required for election. In the Restriction, the Examiner listed claims 1-22 as collectively drawn to a cannula device and claims 23-25 as drawn to a method for remotely retrieving an object in the body. Contrary to the listing in the Restriction Requirement, claims 1-26 are directed to a cannula device and claims 27-29 are drawn to the claimed method. On September 5, 2007 the undersigned attorney contacted the Examiner about this error and was informed that the claims were listed incorrectly in the Restriction Requirement based upon a typographical error.

Claims 1-29 are pending in this application. Claims 9, 23, and 27-29 are withdrawn pursuant to a restriction requirement. Applicant respectfully requests the Examiner grant allowance of this application. The Examiner is invited to contact the undersigned attorney for the Applicants via telephone at (312) 222-8124 if such communication would expedite this application.

Respectfully submitted,
